Dear Friends,
 From June 18 - 28, Nancy and I will be on a great adventure which we have dreamed of for twenty-five years. We will visit Seoul, South Korea where our daughter, Natalie, has been studying at Yonsei University for the 2014-2015 school year. Yonsei University was first established in 1885 by Christian missionaries. After a week of sightseeing in Seoul, the three of us will come home to the States.

While we are touring Seoul, Nancy and I hope to see and visit at least one of the many Presbyterian churches. Presbyterian missionaries from the United States first arrived in Korea in 1884, where they found that Koreans already had the Bible in their own language. The Presbyterian Theological Seminary was founded in 1901.

Now in its second century of ministry, the Presbyterian Church of Korea (Republic of Korea) has approximately 2.8 million members in more than 8,000 congregations. While the Presbyterian Church has grown tremendously in Korea, the Christians there also take their calling to mission very seriously

and faithfully. Approximately 800 missionaries are working in seventy-seven countries.

The Presbyterian Church (U.S.A.) involvement in Korea is through the Presbyterian Church in the Republic of Korea, the Presbyterian Church of Korea, and the National Council of Churches in Korea. The Presbyterian Mission Agency of the Presbyterian Church (U.S.A.) reports, "The PC(USA) joins Korea's Christian community in a ministry that includes higher education and youth ministries, theological education, health ministries, women's and children's ministries, and peace education, reconciliation and reunification work."

Nancy and I are excited about our trip to Seoul. Thank you and the session for the time away to make this journey. You will be blessed by the preaching of Rev. Lauren Deer (June 21) and Dr. Dan Robinson (June 28). The Korean words below mean "Thank you!"

In Christ,

감사합니다

Wallace Presbyterian Church will host the 3rd annual Summer Reading Program for rising 2nd graders from Wallace Elementary who want to sharpen their reading skills and avoid summer rust while out of school. The session runs from July 7 until August 12 on Tuesdays and Wednesdays from 9am- noon.

An open house will be held in the Currie Building on June 4 at 6:30 pm for students and parents to hear about the program, meet leaders and volunteers, and see where classes will be held.

Michael Sherill will be our teacher representative from Wallace Elementary this year. Michael spent 6 years in the US Navy, received his Education Degree from UNCW, and is in his second year of teaching. Welcome Michael if you see him around the church this summer.

We would like to thank our volunteers who have committed at least one morning each week to do activities such as phonics, making words or reading their favorite children's book. If you have a favorite story or children's book, we invite you to schedule a time to read to the group. This activity is always a highlight of the day.

The WPC committee of Susan Walters, Harriet Farrow, Phil Gladden and Pat Barrow ask for your continued prayers for this ministry.
