Sunday, June 6 schedule for Wallace Presbyterian Church**

4:30p.m. Swim Test

We ask that all children and youth arrive with swim suits on and ready for the swim test. Everyone will be required to take a swim test and pass in order to go in the deep end of the pool during the week. If a child/youth does not pass or does not want to take a swim test they will be given a wristband and will be required to stay in the shallow side all week.

If you have a child/youth that will not be there on Sunday, June 6th they will get a wristband on Monday and will not be allowed in the deep end of the pool. Sunday is the only time we will give a swim test.

"Change for Camp"

Each camper is encouraged to collect change for camp. Kirkwood is challenging each child/youth to raise \$100.00. The ones that raise \$100.00 will be allowed to throw a pie at Mr. Greg. We ask that each child/youth bring their change in on Wednesday, June 9th.

Dear Friends,

Later this month, Karla, Nancy, and I will participate in an online workshop sponsored by Union Presbyterian Seminary in Richmond, Virginia called “How to Be a Hybrid Church.” We will participate by Zoom on Tuesdays, June 15, 22, and 29. The publicity on the seminary’s website includes this statement: “This course is designed to help you discern what it means for your church to become a ‘hybrid’ church and how to build the bridge between what you’re doing now and what you will do in the future.”

As our church opens up more and more following the COVID-19 pandemic, it is certainly welcome to feel as if things are slowly returning to “normal.” However, the reality is that “normal” as we knew it before the pandemic began in early 2020 probably doesn’t and won’t exist any longer, even in the church. By necessity, we have learned how to do things differently in the church during the last fourteen - fifteen months, especially during worship. The questions before us now are, what have we learned from the changes we had to make and how can we build on the changes as we move ahead?

Since Sunday afternoon, March 15, 2020, your elders, the members of the Christian Education, Worship & Music, and Building & Grounds Ministry Teams, the Safety Committee and Pandemic Transition Committee, and I have worked diligently, faithfully, and almost non-stop to meet the challenges presented to us by the COVID-19 pandemic. Decisions made along the way have always been in the service of providing safe and meaningful worship, both in-person when possible and online. Christian Education opportunities have continued uninterrupted via Zoom with Sunday School classes, Bible studies, and circle meetings. Karla, Vera, and our choirs have been innovative in providing beautiful and inspirational music, both instrumental and choral. And, through it all, Bill Butler has enabled us to reach people via technology in numerous and creative ways.

ACTIONS OF THE SESSION

At the Tuesday, May 18, 2021 stated session meeting, the elders and minister:

- * were led in an opening devotion and prayer by Elder Patsy Ludlum;
- * conducted the meeting as a worship service;

ONLINE WORKSHOP: HOW TO BE A HYBRID CHURCH

Karla Casteen, Nancy Gladden, and Philip Gladden will participate in an online workshop sponsored by Union Presbyterian Seminary in Richmond, VA on June 15, 22, and 29. The workshop, "How to Be a Hybrid Church," will be led by Christen Kinard, Founder, Digital Congregations. Here is a description of the workshop:

"The pandemic and resultant quarantine taught churches and their congregations that we can worship, learn, pray, and gather online. We learned how to stream, Zoom, edit, post; the learning curve was steep.

"Today, churches are faced with a new challenge as they consider how to engage a split congregation—at home and online. This moment demands thoughtfulness, intentionality, and collaboration. This course is designed to help you discern what it means for your church to become a "hybrid" church and how to build the bridge between what you're doing now and what you will do in the future."

JUNE AND JULY MATTHEW 5 - 7

Know that your church leaders continue to evaluate the worship, outreach, mission, Christian education, and fellowship of our congregation as we move forward in the second half of 2021 and beyond. The crib nursery has been resumed during morning worship. Planning is underway to begin Children's Church for ages 3 - 5 during worship. In person Sunday School classes for all ages will be made available. Safety plans for the church physical plant that were already approved before the pandemic began in February 2020 are now being implemented.

You may notice some changes in the ways things are done as we figure out how best to be the church post-COVID. Some changes during the past year and a half were by necessity and may be phased out. Other changes may become permanent as we have realized how they enhance and benefit our worship and ministry.

I encourage you to be supportive of our church leaders as they help us be a faithful congregation and to be patient as we embrace the opportunities before us in our worship, Christian Education, and outreach, along with any changes that we may experience.

May God bless us all as we seek to be faithful followers of Jesus Christ!

Blessings, and be safe,

Phil
