WALLACE PRESBYTERIAN CHURCH

Dr. Philip K. Gladden, Minister

NOVEMBER 2016

Cheryl Brinkley, Editor

WORSHIP, GROW, GO

November is a big month for our Stewardship program! The stewardship sermon series continues through the month. An informational packet containing a narrative budget, a new pamphlet summarizing our mission and ministries, a pledge card, and a stewardship letter will be distributed to each family. There will be a very brief congregational meeting after the worship service on the 13th, to answer any last budget questions, and to approve changes in the terms of call for Phil in 2017. Pledges will be presented/dedicated at the worship service on the 20th.

Keep in mind that if you want offering envelopes for 2017, you must indicate that on your pledge form. Other than plate offering, we now have several ways to contribute, *including on-line through our WPC web site.*

The new budget for 2017 has an increase of slightly over 13% mostly to fund restoration of our benevolence giving to previous levels, and for funding of our planned revitalized youth program, including a part time youth director. If you want details beyond what is presented in the narrative budget, you can contact the church office for a copy of the line item budget that backs up the narrative budget.

And back, by popular demand, we will again be discussing Henry Nouwen's book, [Spirituality of Fund Raising](#). Our earlier discussion, led by Dr Phil, was interesting and stimulating, but due to schedule conflicts, many who wished to participate were unable to do so. We have scheduled another discussion after church on the 20th of November. And as an added attraction, the youth's fund raising sandwich lunch coincides. So come, buy a sandwich, and join us for the discussion of a very helpful and thought provoking book.

Dear Friends,

Last year the session adopted the motto "Worship. Grow. Go." to describe our vision of what is most important in the life of our congregation. This phrase is particularly appropriate for a Presbyterian congregation. Presbyterians have always emphasized the importance of regular worship and thanksgiving to God. We have also highly valued Christian nurture and growth in our knowledge of God's Word and our own spiritual lives. Finally, we hold fast to the idea that "truth is in order to goodness." In other words, what we believe leads us to what we do, in response to God's grace and in the name of Jesus Christ our Lord.

"Worship. Grow. Go." is an invitation from our session to all of us to share the vision that God has given us in Jesus Christ and to join in God's work in this place, at this time. In his book, A Spirituality of Fundraising, Henri Nouwen writes, "Asking people for money is giving them the opportunity to put their resources at the disposal of the kingdom. To raise funds is to offer people the chance to invest what they have in the work of God. God's kingdom is the place of abundance where every generous

act overflows its original bounds and becomes part of the unbounded grace of God at work in the world."

Thanks to the diligent and faithful work and guidance of the Stewardship and Finance Ministry Team, the session is offering all of us "the opportunity to put our resources at the disposal of the kingdom." On behalf of the session, I thank you for your faithful generosity and encourage you to give prayerful consideration to your financial commitment to and your involvement in God's work in and through our church.

When the apostle Paul wrote to the Corinthian Christians about contributing money to help needy Christians in Jerusalem, he said, "You will be enriched in every way for your great generosity, which will produce thanksgiving to God through us; for the rendering of this ministry not only supplies the needs of the saints but also overflows with many thanksgivings to God."

(2 Cor. 9:11-12)

Happy Thanksgiving!

In Christ,

Phil

PREACHING IN NOVEMBER
The Stewardship of *All* of Life

Sunday Worship: November 6

Old Testament Lesson: Psalm 104 Gospel Lesson: Matthew 14:13-21

Feeding the 5000. Especially Jesus' command to the disciples, "You give them something to eat" in the face of their comment "We have nothing here but five loaves and two fish." How can we do what the Lord calls us to do? We don't have enough!

Sunday Worship: November 13

Old Testament Lesson: Isaiah 65:14-25 Epistle Lesson: Philippians 1:1-11

Paul's prayer for the Philippians in which he thanks God for the Philippians "sharing the gospel from the first day until now." Paul also states firmly, "I am confident of this, that the one who began a good work among you will bring it to completion by the day of Jesus Christ." Paul ends this section talking about "having produced the harvest of righteousness that comes through Jesus Christ for the glory and praise of God."

Sunday Worship: November 20

Gospel Lesson: Luke 17:11-19 Epistle Lesson: 2 Corinthians 9:6-15

Paul's instructions/encouragement to the Corinthian Christians to make good on their pledge of support for the offering for the suffering saints in Jerusalem. He lines out some "stewardship principles" and includes this thought (which seemed appropriate at the conclusion of the sermon series), "for the rendering of this ministry not only supplies the needs of the saints but also overflows with many thanksgivings to God."

SEASON OF ADVENT BEGINS ON SUNDAY, NOVEMBER 27

HOPE

In the ancient world, various peoples lit fires to mark the turning of the light into winter's season and to pray for the return of the light. The church has Christianized that practice in the lighting of the Advent wreath. To us, these candles are signs of the growing light of Christ who is coming again in all fullness into the darkness of our world. Until the dawning of that Great Day, we watch and wait in Holy Spirit for Christ's coming into the darkness of our world, lighting candles of hope, peace, joy, and love; and remembering the promises of God with prayer.

Watch and wait for Christ's coming! Light candles of hope, peace, joy, and love, remembering the promises of God with prayer.

Join us for a discussion of a spirituality of fundraising on Sunday, November 20 at 12:15 p.m.

Order a bag lunch from our youth, enjoy fellowship at the table, and join in an interesting discussion of how faithful stewardship is an important Christian discipline in our faith journey.

It is not necessary to have read Henri Nouwen's book before joining the discussion. However, copies are available in the church office if you would like to read this interesting book.
