**Retirement is
a special time
to live life to its
fullest!**

2020 Mother's Day/ Father's Day Offering

At The Presbyterian Homes, we encourage those things that bring color to the life of senior adults - family, friendships, spiritual growth, creative interests and enriching experiences.

The support provided by the Mother's Day/Father's Day Offering ensures that all residents can experience the fullness and enjoyment that life has to offer.

***The mission of
The Presbyterian Homes
is to honor God by enriching the
lives and touching the hearts of
those we serve.***

A Special Investment

For over 68 years, The Presbyterian Homes has been serving senior adults in a spiritually nurturing and vibrant setting that offers a sense of belonging while also developing individual pursuits and passions. We currently serve over 1,300 residents living in the following communities:

- Scotia Village located in Laurinburg
- Glenaire located in Cary
- River Landing at Sandy Ridge located in Colfax/High Point
- Capital Towers located in Raleigh

Last year, partnerships with churches and other donors from across the state, helped provide over \$2 million to senior adult residents in need of financial assistance. This assistance covered daily expenses associated with housing, medical related needs, meals and more and allowed us to keep our promise of continuous care for our residents, despite any financial hardship.

One hundred percent of all gifts received through The Mother's Day/Father's Day Offering will **help senior adults**.

Donors may choose to support:

- Resident financial assistance for any of The Presbyterian Homes communities—Glenaire, River Landing at Sandy Ridge and Scotia Village.
- A service coordinator position for our newest effort benefitting residents of modest means who live at Capital Towers. This position will assist residents in addressing immediate needs related to therapy, temporary housing, transportation, medical or dental care, nutrition and wellness. Capital Towers is an affordable rental community.

Thanks to partnerships with churches and generous individuals like you, funds raised through the Mother's Day/Father's Day Offering will ensure that all residents experience a vibrant future. Please consider making a tax-deductible gift today.
