AGAINST HUNGER

EXPERIENCE

The world produces enough food to feed everyone, and yet 720 million people around the globe are facing hunger each day. Rise Against Hunger works to end hunger in communities across the world, and your group can be part of the solution. We offer a portfolio of options to engage volunteers and donors in hands-on opportunities to create real impact in the lives of real people. Join us to address one of the most pressing crises facing our world. Our Rise Against Hunger Experience meal packaging events enable groups to help meet immediate needs for children and families today while creating lasting, sustainable change for tomorrow.

JOINING IN ON THE RISE AGAINST HUNGER EXPERIENCE HELPS CHILDREN AND FAMILIES THRIVE.

"Ana*" lives in Nicaragua, and loves to play with her friends, crochet and attend school. Previously, Ana had been diagnosed as chronically malnourished and anemic. Ana's mother received take-home boxes of nutritious Rise Against Hunger meals to prepare for her through our long-standing partnership with ORPHANetwork, and today, Ana is healthy and happy.

For children like Ana, it starts with a meal, and leads to a brighter more promising future.
